OPEN TO THE PUBLIC!

ReCycle

DONATING MATERIAL

Local builders, contractors, businesses and individuals are encouraged to donate new or re-useable materials, as well as any inventory that is overstocked or discontinued to the Habitat ReStore. The ReStore can provide alternative and cost-effective means for disposal of items that would normally be thrown away.

Habitat for Humanity is a not-for-profit entity and your donations are tax-deductible. You will be required to place the value on your donations.

If you have quality reusable or new materials or would like to volunteer call 677-4024 or e-mail restore@athenshabitat.org

ReBuild

AFFORDABLE HOME IMPROVEMENT

Athens County Habitat for Humanity welcomes the public to shop our inventory of donated new and reusable building and home materials. Products offered include kitchen cabinets, appliances, doors, windows, tile, hard wood flooring, light fixtures, building materials, as well as many other items to help you complete your home improvement projects. Items are sold at 50% to 80% off retail.

This is an exciting opportunity to improve your home, while helping Athens County Habitat for Humanity build more affordable homes for families in need.

VOLUNTEER OPPORTUNITIES

The ReStore operates primarily on volunteer power. Volunteer opportunities range from:

- Assisting at the sales counter
- Helping with customer service
- Organizing materials within the store
- Driving/picking up donations
- Salvage projects
